

Council Introduction

This is the Annual Report for Bishop Auckland Town Council Civic Year Ending 31st March 2023.

During the year the Council has continued to be actively involved in the management of the areas in its control, especially the areas of public open space. Investment is continuing in the parks and play areas, and this is supported by grant funding applications to ensure that our Town provides a wide range of facilities that help our residents, both young and old, to develop to their maximum potential, keep fit and active and make new friends at the same time. We will continue to do all that is possible to maintain our facilities and are open to all new ideas and suggestions from residents that will help to further improve our Town for our residents and visitors. Community Consultation has taken place during the year and our Action Planning for the coming year will be in response to the ideas and suggestions the Community has made.

The Town Council's aims and values are set out in the following Mission Statement:

"Working in partnership to improve the quality of life for all those who live, work, visit or invest in Bishop Auckland."

In doing so, the Council will:

Conduct business openly and democratically, and consult with local people.

- Act in the best interests of local people in making appropriate representations to Durham County Council and other appropriate private and public sector groups.
- Deliver services to the highest quality in terms of efficiency, effectiveness and value for money.
- Continue to build relationships with the community and voluntary organisations and with the statutory, public and private sector.
- Encourage and promote economic and commercial long terms plans for the town through partnership working.
- Recognise and support diversity and seek to strengthen the inclusion of all residents of Bishop Auckland.

In 2022 Bishop Auckland Town Council signed up to the Civility and Respect Pledge. The Civility and Respect Pledge is being introduced by the National Association of Local Councils because there is no place for bullying, harassment and intimidation within our sector. It shows that Bishop Auckland is committed to standing up to poor behaviour and to driving through positive changes which support civil and respectful conduct.

Bishop Auckland Town Council has an office based at Kingsway Court, 54 Kingsway Bishop Auckland. It currently employs a full time Town Clerk, a full time Assistant Town Clerk, and full time Admin Assistant.

Message from the Mayor Michael Siddle

Representing this community as Mayor for 2022-23 has been a privilege. I have enjoyed the great opportunities the role has given me. I have been part of some fantastic partnership working and developments within the town.

Hosting the late Queen Elizabeth II Platinum Jubilee party was definitely a highlight. What an amazing weekend was had by all involved and the fantastic number of people who came along to one or more of the three days events was staggering. Some special memories made for so many who took part. Who can forget those breakdancing guards and queen. I can see how Bishop Auckland has gone from strength to strength over the past 12 months and look forward to the completion of the regeneration works and for new life to be brought back into the town and once again Bishop Auckland will be a place to visit by all.

Other events I have represented the town at have included the David Venables Exhibition at El Castello Tapas Bar, The Durham Dash which hundreds of school children across the town took part in at the Kynren site, the opening of the new Spar on Watling Road as well as Dali Surreal World exhibition in the tower and market place to name just a few. This year has certainly kept me active.

Hosting the Mayor at Home in the beautiful surroundings of Auckland Castle was a proud moment in my tenure as was the wonderful Mayor's Valentine's Ball, held at the Town Hall. The evening has a great atmosphere and was made all the more special by the exquisite food from 2021 MasterChef contestant Mike Bartley and entertainment from the great local band JD and the Woodsmen. Let's not forget the exceptionally well attended quiz night at the Pollards, who kindly provided a pie and pea supper. I topped off my fundraising events with a well attended 'Steaming from the past to the future event' which incorporated an railway art exhibition, along with guest speakers.

I am thrilled to have raised over £3300, during my time as Mayor, for my chosen organisation Daisy Arts CIC, which will use the money to support their youth theatre group, which runs weekly sessions at Woodhouse Close. A special thank you goes to all those who supported my fundraising efforts by attending events and donating prizes, including some wonderful businesses in Bishop Auckland.

I can't finish without paying tribute to the passing of Queen Elizabeth II. She fulfilled her promise to reign over us the whole life and she did this with such finesse. I wish King Charles III every success going forward.

I wish the incoming Mayor the best of luck as they take on the role.

Michael Siddle

Mayor of Bishop Auckland 2022-23

Services

The Council continues to deliver allotment provision across the town council area. Sites are predominately managed by the Town Council, with some having associations in operation, and one site being self managed.

The Council has sites at

Tindale Crescent, Woodhouse Close, Edge Hill, Pollards, South Church, Mill Race, Broken Banks and West Mills.

Over the Summer 2022 the Council undertook a review of the Allotment Rules and Regulations to ensure that they were fit for purpose and met the needs of the sites, and the tenants. A consultation was had and the new rules came into place from 1st November 2022.

An allotment mapping exercise also commenced to ensure that plots are appropriately recorded, and from November 2023, once the mapping is complete the new sizes will be used on the tenancies for tenants, to ensure that the records are accurate.

The Town Council undertook a full inspection of all plots in September 2022, this will now be an annual exercise to ensure that plots are being appropriately used and managed. This also enables proactive site management and maintenance.

Holding to account – Public Meeting

In response to calls from the community the Town Council arranged a public forum meeting for residents, businesses and general interested parties to come along to receive updates regarding the 'Regeneration and investment in Bishop Auckland' to learn of the progress and next steps. Durham County Council lead the presentations, from a range of parties regarding the projects and the progress. The meeting was well received and provided some reassurance to the community.

Events & Activities

It has been a busy year of activities and events across the town. The Following is just a snap shot of the activities which have taken place over the last year.

Queen's Platinum Jubilee Celebration Weekend

In June last year the he Town Council brought together the community over three days of the extended Platinum Jubilee Weekend at a range of events, all of which were free to attend. The Council received an Awards for All grant to help support the activity however the majority of the funds came from the Town Council reserves. The council worked with the Auckland Project and commissioned Bridge Creative CIC and Baccanalia to help them deliver the event.

The celebrations started with the **Platinum Party** on the Thursday evening. This was an entertainment extravaganza in the Market Place, featuring a range of entertainers on the stage and street performers. There were singers and brake dancing soldiers. The finale of the evening was the lighting of the Jubilee Beacon by the Bishop of Durham Paul Butler, which was then followed by a fire show. It was a wonderful event. Over 7,000 people came out to celebrate and see the beacon be lit.

Friday brought a **vintage car show** to the Market Place, where each of the 35 exhibitors received a platinum jubilee medal.

Saturday was a **picnic party** at the castle with over 600 people enjoying a relaxed afternoon of entertainment, picnics, games and crafts for the children. This ran alongside a **free fun fair** for younger children in the market place.

A snap shot of the event can be seen in the following images:

Bishop Auckland Dash

Go-well are passionate about physical exercise and holds an annual event that started in 20220 to help promote and deliver innovative programmes to help improve wellness though movement with children. Thus encouraging children to have a more healthy lifestyle. Hundreds of primary school aged children attended to Bishop Auckland DASH in June 2022 at the Eleven Arches site where heats took place in the afternoon sunshine. It was a fantastic fun afternoon by all who attended and took part. I wish the best of luck to Go-well who has a vision to have a positive impact on the wellness of 1 million people by 2025.

Paying Tribute to Queen Elizabeth II

The whole country mourned the passing of the HM Queen Elizabeth II. In partnership with Rev Matt Keddilty Bishop Auckland Town Council delivered the proclamation and prepared a local service at St Andrew's Church followed by a vigil at St Anne's Church where 96 candles were lit.

This tribute gave the whole community the opportunity to pay their respects.

The Town Council had the pleasure to attend The Auckland Project preview event of the Dali Surreal Worlds in October 2022, an immersive community art project. The exhibition lit up not only the market place but the tower as there was a large-scale light installation at each site. The work was a collaboration between professional artists and over 200 local young people. This huge undertaking was inspired by the Salvador Dali masterpiece Christ of Saint John of the Cross which was being exhibited at the Spanish gallery.

Bishop Auckland Remembrance Parade

Huge crowds gathered in Bishop Auckland Market Place on Remembrance Sunday 2022 to pay tribute to those who had fought and lost their lives in war. The War Memorial Service at St Anne's Church in the Market Place was organised by Bishop Auckland Town Council staff. This year's Remembrance Service and Parade was very well organised. The parade was led by 8th Battalion the Rifles, followed by Army Cadet Force, Royal Air Force Cadets, the Scouts, Guides, veterans and members of the public, the 8th Battalion the Rifles set off from the Newgate Centre and marched to the War Memorial in the Market Place.

The Service at the War Memorial was led by Reverend Matt Keddilty of St Anne's Church. Two minutes' silence was impeccably held at exactly 11.00am marking the Anniversary of the end of World War One.

Town Council partnered with Bridge Creative and Bacchanalia to host a weekend of successful weekend of Christmas cheer. The event was bigger and better than the previous year and footfall as huge, over 17,000 people attended.
